Mobile inkjet printer

REINER 940

- Printing barcode, QR-Code, graphics and text
- Ideal for large and curved surfaces
- Ergonomic and wireless

Mobile marking: REINER 940

The mobile REINER 940 inkjet printer weighs no more than 530 g. It marks products and packaging easily and in no time. The battery can handle up to 1,000 imprints per charge, freeing users of cables and fixed locations. Up to four print images can be stored on the device for quick and easy change via a setting wheel. All it takes to mark a surface is rolling the REINER 940 over it.

Buy from your
dealer now.
